Staff Safety

The Board of Directors is committed to providing a safe and healthful environment for all students and employees. In fulfilling that commitment, the Board directs the Superintendent to develop programs and guidelines that provide for:

1. a safe and healthy work environment;
2. safety information and training;
3. accident prevention;
4. prevention of transmission of communicable diseases;
5. compliance with state and federal safety acts;
6. reporting and recording of accidents and potential hazards; and
7. emergency preparedness.
