Health and Nutrition

Kirkman Sales

Specialized Nutritional Supplements formulated for children and adults with Autism. Recommended to THRESHOLD by the Autism Research Institute. Many (but not all) families report great success in improving their children's health and functioning within a short time. Sharone says: "HAVE THE WHOLE FAMILY TRY THE COD LIVER OIL DAILY!" You may be surprised how well you ALL may begin to feel and function better). It is a risk-free, affordable and well-known neurological health support for people with and without auto-immune problems.
