

300 PERSONNEL, continued

319 Transportation, Operating Rules

The ESD Board of Directors recognizes that, in transporting students, there may arise from time to time situations on the bus(es) requiring disciplinary action. In such situations, the bus driver will contact his/her supervisor and work with program personnel in the student's resident district to implement disciplinary action in accordance with the student's program requirements and that district's student discipline policy. WAC 392-145-015(1) and 392-145-035
