327 Safety and Health

The Board of Directors is committed to providing a safe and healthful environment for all students and employees. In fulfilling that commitment, the Board directs the superintendent to develop programs and guidelines that provide for:

- 1) a safe and healthy work environment;
- 2) safety information and training;
- 3) accident prevention;
- 4) prevention of transmission of communicable diseases;
- 5) compliance with state and federal safety acts;
- 6) reporting and recording of accidents and potential hazards; and
- 7) emergency preparedness.
