

Would your child benefit from extra help in math or reading?

The EXcel Tutoring Program from Educational Service District 112 can help!

EXcel, An Extended Day Learning Program

SUPPLEMENTAL EDUCATIONAL SERVICES

Success Breeds Success

Educational Service District 112 is a state approved provider of Supplemental Educational Services (SES), offering in-district instruction to students struggling in math and/or reading. We are dedicated to providing all students with the opportunity to succeed.

EXcel SERVICES

- Certified teachers delivering instruction in math and reading
- Student assessment to determine individual needs
- Before, and/or after school, programs
- Tutoring, remediation, interventions
- Frequent progress reports sent to parents and schools

It's FREE!

All fees are paid by your school district.

Why choose EXcel from ESD 112?

- Services are provided in your local school district
- High quality, research-based curriculum and instruction.
- Instruction is provided by highly skilled, caring professionals.
- Safe, healthy and supportive learning environment.
- Strong home connection.
