

## Volunteer Participation Tracking for this month:

If you recruit, train, or engage the same volunteer for more than one project, only count that volunteer once. However, count all of his or her hours on all projects.

### Definitions:

**Community Volunteers** are individuals, youth or adults, who are recruited or directly coordinated by AmeriCorps members, and who are participating in service that addresses community needs.

**Student Volunteers** are youth or adults, K-college, who are volunteering in school related service

**People who should not be counted as volunteers** are employees of the sponsoring organization (if they are getting paid), NWSA staff, and other AmeriCorps or VISTA members.

1. How many community members were recruited, trained or engaged in service at your site? \_\_\_\_\_ Total number of hours served. \_\_\_\_\_
2. How many students were recruited, trained or engaged in service at your site? \_\_\_\_\_ Total number of hours served. \_\_\_\_\_

**Unique successes, outstanding stories, and additional accomplishments that occurred during this month:** this is your chance to share the successes of your project. LINKS collects your success stories and includes them in progress reports, web pages, flyers, brochures, etc. Your successes, big and small, help to document the outstanding service that LINKS provides to the community through members and project partners. Please attach additional sheet of paper if necessary.

### Challenges you experienced this month:

**Media coverage related to your project:** Please let us know if you receive any media coverage including local and regional newspapers, your organization's newsletter, television, radio, etc. If possible, include clippings of the media coverage with your time log. Consider keeping a copy for your records, too.

**Mail completed, SIGNED form to: NWSA-LINKS, 2500 NE 65 Avenue, Vancouver WA 98661**
