

“Getting into this program has had the most amazing effect on my life. If I had not found this program I would have nothing! This program helps pick people right up and put them in the right direction.”

- Marshall Graham

“ESD 112 has helped me a lot throughout the past year. I was assigned a specialist, who has been patient and very caring towards me. She has assisted me in getting my GED which I never thought was going to be possible. The program has helped me accomplish more than I ever could have on my own.”

Take Control.

Connect 2 Careers is an innovative youth development program designed to improve education and employment outcomes for eligible participants ages 16-24.

Emphasis and resources are targeted at providing youth the assistance they need to graduate from high school, earn their GED, and/or move on to college or trade school. Participants can also receive job counseling and training, hands-on work experiences, and gain work readiness skills, which are needed for apprenticeship or jobs in high-demand fields such as health care and STEM fields.

Eligible individuals must be ages 16-24 and be either a high school dropout or HS/GED graduate that is income eligible with a Basic Skills Deficiency.

"C2C helped me gain my C.N.A. certification and find a job in my career path. They've helped with a resume and to become more independent. C2C has also helped me with getting financial aid and getting into college."
