Teacher Leadership

In this two-day training, selected teacher leaders from school districts will learn the content and facilitation strategies for their district's framework. Following this training, teacher leaders will be equipped to provide the state required one-day Teacher Overview to their own district staff. All district trainers will receive training materials for use in their own districts.

Training Frameworks Available:

- » CEL5D
- » Danielson

Program Objectives:

- » Begin to develop an understanding of how to use the Framework Evaluation to grow teaching practice.
- » Begin to develop skills to observe and analyze instructional practice to identify next steps in continually developing and refining teaching practice.
- » Develop an understanding of the role of student-to-student talk as a powerful learning opportunity.
