ACTIVITIES

Fall and Winter of the REACH 2021-2022 has been filled with in person smiles, laughs, and a lot of learning. Each day we begin with time to complete homework, a recess to get the wiggles out, and a nutritious, delicious snack. We move onto story, which is often read by an older student, then activities. One activity that we have each day is journaling about the story that was just read. Each student uses sentences, words, and pictures to tell about the story they just heard. This helps with listening, comprehension, and writing skills. Two days a week we do STEAM activities and two days a week we work on ELA activities. We are in hopes that through enriching activities that students will become interested and intrigued about different subjects and become lifelong learners.

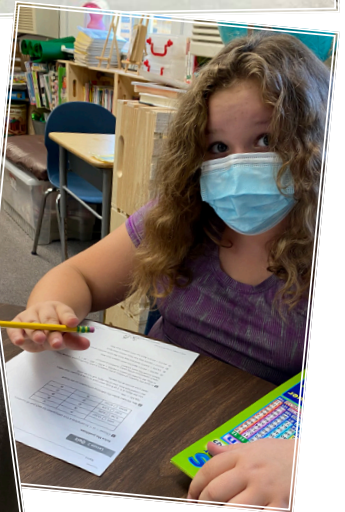

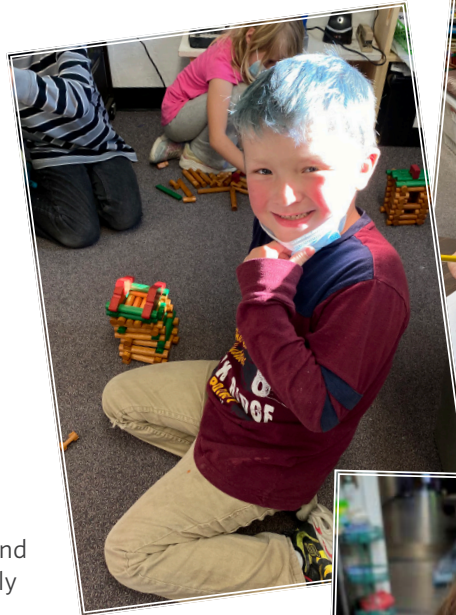

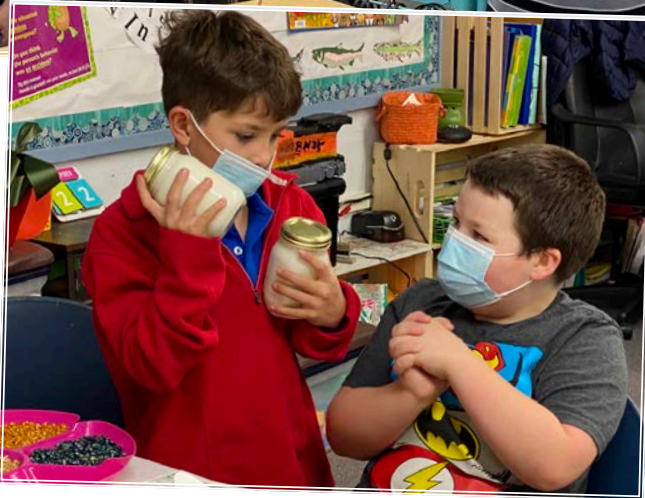

GRANT PARTNERS

Wishram REACH has partnered with Wishram School District for a Harvest Feast for all students and staff. We are in hopes of actually having a Cultural Exchange in the 2022-2023 school year. We also had an online winter program performance that included poetry, theatre, songs, and an all elementary student dance. It was a tremendous amount of fun.

UPCOMING EVENTS

Students and parents need to be prepared for a busy spring and summer calendar. We will have a visit from the Klickitat county Health Department, the Sheriff's Department, Portland Art Museum, Arts in Education of the Gorge and an assembly for the entire family brought to us by Fort Vancouver Regional Library.

Student Highlight

MARLEY LITTLE (1ST GRADE)

What is your favorite thing about REACH?

"I like making things, like slime, and the beaded keychain buddies. I really like doing arts and crafts."

What is something fun you did at REACH recently?

"We made some heart bugs. I liked making them because they have these cute little eyes and faces."

What have you learned recently?

"I have learned some sign language so I can talk to Miss Sheila. I know the signs for yes, no, okay, thank you, and I love you."
