

Student Conduct Expectations and Reasonable Sanctions

The Board acknowledges that conduct and behavior is closely associated with learning. An effective instructional program requires a wholesome and orderly learning environment. The Board requires that each student adhere to the rules of conduct and submit to corrective action taken as a result of conduct violations. The rules of conduct are applicable during the day as well as during any program activity conducted on or off campus. Special rules are also applicable while riding on a school bus.

Rules that establish types of misconduct must have a real and substantial relationship to the lawful maintenance and operation of the learning environment including, but not limited to, the preservation of the health and safety of students and employees and the preservation of an educational process which is conducive to learning.

- A. Students are expected to:
- B. Respect the rights, person and property of others;
- C. Pursue the required course of study;
- D. Preserve the degree of order necessary for a positive climate for learning; and
- E. Comply with ESD 112 rules and regulations;
- F. Submit to the authority of staff and reasonable discipline imposed by ESD 112 employees and respond accordingly.

The Board also recognizes that programs must take reasonable steps so that students who fail to adhere to ESD 112's rules and regulations and who receive discipline for such misconduct remain engaged or are effectively reengaged in their educational program.

The Superintendent will develop written rules of conduct which will carry out the intent of the Board and establish procedures necessary to implement this policy.
