

Discipline and Discharge

Employees who fail to fulfill their job responsibilities, fail to follow the reasonable directions of their supervisor or an administrative employee, who conduct themselves in ways that negatively impact their effectiveness on the job, or who engage in misconduct, shall be subject to discipline or discharge.

Discipline

Discipline shall be appropriate to the circumstances and may include reprimand, oral or written warnings, suspension without pay or discharge.

When appropriate, an employee may be suspended with pay pending investigation and such a suspension shall not be considered a form of discipline.

Discharge – Administrative and Classified Employees

Administrative and classified employees are employed at will and may be discharged when the Superintendent, or the Superintendent's designee, determines continued employment will not serve the best interests of the ESD. Employees will receive written notice of discharge. Decisions to discharge administrative or classified employees shall not be based on race, gender, ethnicity, religion, sexual orientation or other legally protected characteristics.

Discharge – Certificated Employees

Certificated employees may be discharged when the Superintendent determines there is cause, as defined in state law. The Superintendent or his/her designee will issue written notice in accordance with the requirements in state law.

The Superintendent is directed to adopt procedures that implement this policy.
