General Provisions

Except as otherwise approved, employees that work a school year schedule are not eligible for paid holidays. Employees who work in the Early Care and Education Department, and manage or support employees working in child care centers, will receive Martin Luther King's Birthday, Presidents' Day, Veteran's Day, the day after Thanksgiving and the days before and after Christmas as floating holidays. All other employees earn holiday pay in accordance with this policy and procedures approved by the Superintendent.

Should one of the holidays fall on a Saturday, the Friday immediately preceding that Saturday will be allowed as a holiday; should one of the holidays listed fall on a Sunday, the Monday immediately following that Sunday will be allowed as a holiday.

Time off for holidays shall not be counted against sick leave or annual vacation time of any employee. Regular full-time classified and administrative employees will be paid for the above holidays.

All part-time classified and administrative employees will be paid only for those holidays which fall on days that they would normally work. Compensation shall be based on the number of hours the employee is normally scheduled to work on that day of the week, not to exceed eight (8) hours.

Employees terminating their employment voluntarily will be eligible for holiday pay if they work or are on sick leave the working day immediately preceding the holiday and work the working day immediately following the holiday.
