

Provision of Direct Student Services

General

Educational Service District 112 is authorized pursuant to RCW28A.310.180(4) to establish direct student service programs for school districts. It is the policy of ESD 112 to provide direct student services in accordance with the districts' interests.

Serving Districts' Interests

When 15 or more districts contract with ESD 112 for the direct provision of students services, the districts may request the formation of an Executive Advisory Committee. Executive Advisory Committees will provide recommendations to ESD 112 regarding the manner in which services are provided and funded to serve the districts' interests. Executive Advisory Committees' operating practices shall be as set forth and approved by the Committee.
