

# GOT FUNDING?

WANT TO SUPPORT IN-DISTRICT CANDIDATES WITH GETTING THEIR TEACHER CERTIFICATION?

Here are three funding opportunities that can be used through ESD-U

## 1 TITLE II, PART A

The purpose of Title II, Part A is to increase the academic achievement of all students by helping schools and districts improve teacher and principal quality. This includes teacher preparation and qualifications of new teachers, induction, professional development, and retention.

## 2 RURAL EDUCATION ACHIEVEMENT PROGRAM (REAP)

REAP Alternative Fund Use Authority (Flexibility) is a component of the Small, Rural School Achievement Program, and provides eligible school districts with greater flexibility in using the formula grant funds they receive under certain state-administered federal programs. REAP Alternative Fund Use Agreement (Flexibility) is not a grant and does not provide school districts with funding. Rather, it gives districts greater latitude in spending funds.
