

ESD-U

WHAT IS ESD-U?

ESD-U is a teaching certification program operated by ESD 112 that offers alternative routes to teacher certification, as well as a 'retooling' route for currently certified teachers seeking to add an endorsement. ESD-U supports a "grow your own" partnership with local districts and is designed so individuals working in schools can use their regular position to fulfill part of the field experience requirement.

For individuals with a Bachelor's degree, ESD-U offers teacher certification in:

- » SPED (stand-alone)
- » SPED & Elem Ed (dual)
- » ELL & Elem Ed (dual)
- » Elem Ed (stand-alone)

For teachers currently certified, ESD-U offers retooling endorsements in:

- » SPED
- » ELL
- » Elem Ed
- » Reading (Retooling only)

Candidates will receive clock hours for completed ESD-U courses.

HOW MUCH DOES IT COST?

\$5,250 for adding retooling endorsement

\$9,000 for Residency Teacher Certificate with stand-alone endorsement

\$12,000 for Residency Teacher Certificate with dual endorsement
