CANCELLATION OF AWARD - ESD 112 reserves the right to immediately cancel an award if the contractual agreement has not been entered into by both parties or if new state regulations, policies, or other business needs make it necessary to change the program purpose or content, discontinue such programs, or impose funding reductions. In those cases, where the negotiation of contract activities is necessary, ESD 112 reserves the right to limit the period of negotiation to sixty (60) days after which time funds may be unencumbered.

CONFIDENTIALLY - Bidder shall comply with all applicable state and federal laws governing the confidentiality of information.

CONSORTIUM OF AGENCIES - Any consortium of companies or agencies submitting a bid must certify that each company or agency of the

consortium can meet the requirements set forth in the ITB.

The contractual agreement consists of the following parts: (a) the basic provisions and general terms and conditions, (b) the special terms and conditions, (c) the project description and goals (Statement of Work), and (d) the budget and payment terms. ESD 112 is not responsible for any costs incurred prior to the effective date of the contract. ESD 112 reserves the right to make an award without further negotiation of the bid submitted. ### DIVERSITY IN EMPLOYMENT AND

opportunity in the administration of the contract, and its subcontracts or other agreements.

INDEPENDENT PRICE DETERMINATION – The prospective contractor guarantees that, in connection with this bid, the prices and/or cost data have been arrived at independently, without consultation, communication, or agreement for the purpose of restricting competition. LATE BIDS – A bid received after the date and time indicated will not be accepted. No exceptions will be made.

ORAL PRESENTATIONS – An oral presentation may be required of those prospective contractors whose bids are under consideration. Prospective contractors may be informed that an oral presentation is desired and will be notified of the date, time and location the oral presentation is to be conducted.

OTHER AUDIT/MONITORING REQUIREMENTS – In addition, auditing or monitoring for the following purposes will be conducted at the discretion of ESD 112: fund accountability, contract compliance, and program performance.

PRICE WARRANT – The bid shall warrant that the costs quoted for services in response to the ITB are not in excess of those which would be charged any other individual or entity for the same services performed by the prospective contractor.

PROTESTS – must be submitted in writing to the ESD 112 Purchasing Manager, within three days.

PUBLIC SAFETY – may require background checks if stipulated below. May also require limiting access to public work sites, public facilities, and public offices, sometimes without advance notice. The successful Bidder's

employees and agents shall carry sufficient identification to verify employer and display it upon request to security personnel. ESD 112 managers have discretion to require the successful Bidder's employees and agents to be escorted to and from any public office, facility or work site if national or local security appears to require it.

REJECTION/ACCEPTANCE OF BIDS – ESD 112 reserves the right to accept or reject any or all bids received as a result of this ITB, to negotiate with any or all prospective contractors on modifications to bids, to waive informalities, to postpone award, or to cancel in part or in its entirety this ITB if it is in the best interest of ESD 112 to do so.

SUBCONTRACTING – No activities or services included as a part of this bid may be subcontracted to another organization, firm, or individual without the approval of ESD 112. Such intent to subcontract shall be clearly identified in the bid. It is understood that the contractor is held responsible for the satisfactory accomplishment of the service or activities included in a subcontract.
