ALL bids submitted become the property of ESD 112. It is understood and agreed that the prospective Bidder claims no proprietary rights to the ideas and written materials contained in or attached to the bid submitted. ESD 112 has the right to reject or accept proprietary information.

AUTHORSHIP – Applicants must identify any assistance provided by agencies or individuals outside the bidders own organization in preparing the bid. No contingent fees for such assistance will be allowed to be paid under any contract resulting from ITB.

CANCELLATION OF AWARD – ESD 112 reserves the right to immediately cancel an award if the contractual agreement has not been entered into by both parties or if new state regulations, policies, or other business needs make it necessary to change the program purpose or content, discontinue such programs, or impose funding reductions. In those cases, where the negotiation of contract activities is necessary, ESD 112 reserves the right to limit the period of negotiation to sixty (60) days after which time funds may be unencumbered.

CONFIDENTIALITY – Bidder shall comply with all applicable state and federal laws governing the confidentiality of information.

CONFLICT OF INTEREST – All bids submitted must contain a statement disclosing or denying any interest, financial or otherwise, that any employee or official of ESD 112 or the appropriate Advisory Board may have in the proposing agency or proposed project.

CONSORTIUM OF AGENCIES – Any consortium of companies or agencies submitting a bid must certify that each company or agency of the

consortium can meet the requirements set forth in the ITB.

COST OF BID & AWARD – The contract award(s) will not be final until ESD 112 and the prospective contractor(s) have executed a contractual agreement. The contractual agreement consists of the following parts: (a) the basic provisions and general terms and conditions, (b) the special terms and conditions, (c) the project description and goals (Statement of Work), and (d) the budget and payment terms. ESD 112 is not responsible for any costs incurred prior to the effective date of the contract. ESD 112 reserves the right to make an award without further negotiation of the bid submitted. Therefore, the bid shall be submitted in final form from a budgetary, technical and programmatic standpoint.

DISPUTES – ESD 112 encourages the use of informal resolution to address complaints or disputes arising over any actions in implementing the provisions of the ITB. Written complaints should be addressed to ESD 112, Chief Financial Officer, 2500 NE 65th Avenue, Vancouver WA 98661.

DIVERSITY IN EMPLOYMENT AND

CONTRACTING REQUIREMENTS – It is the policy of ESD 112 to require equal opportunity in employment and services subject to eligibility standards that may be required for a specific program. This commitment applies regardless of race, color, religion, creed, sex, marital status, national origin, disability, age, veteran status, on-the-job injury, or sexual orientation. Employment decisions are made without consideration of these or any other factors that are prohibited by law.

opportunity in the administration of the contract, and its subcontracts or other agreements.

INDEPENDENT PRICE DETERMINATION – The prospective contractor guarantees that, in connection with this bid, the prices and/or cost data have been arrived at independently, without consultation, communication, or agreement for the purpose of restricting competition. This does not preclude or impede the formation of a consortium of companies and/or agencies for purposes of engaging in jointly sponsored bids.

LIMITATION – This ITB does not commit ESD 112 to award a contract, to pay any costs incurred in the preparation of a response to this ITB, or to procure or contract for services or supplies.

LATE BIDS – A bid received after the date and time indicated will not be accepted. No exceptions will be made.

ORAL PRESENTATIONS – An oral presentation may be required of those prospective contractors whose bids are under consideration. Prospective contractors may be informed that an oral presentation is desired and will be notified of the date, time and location the oral presentation is to be conducted.

OTHER AUDIT/MONITORING REQUIREMENTS – In addition, auditing or monitoring for the following purposes will be conducted at the discretion of ESD 112: fund accountability, contract compliance, and program performance.

PRICE WARRANT – The bid shall warrant that the costs quoted for services in response to the ITB are not in excess of those which would be charged any other individual or entity for the same services performed by the prospective contractor.

PROTESTS – must be submitted in writing to the ESD 112 Purchasing Manager, within three days.

PUBLIC SAFETY – may require background checks if stipulated below. May also require limiting access to public work sites, public facilities, and public offices, sometimes without advance notice. The successful Bidder's

employees and agents shall carry sufficient identification to verify employer and display it upon request to security personnel. ESD 112 managers have discretion to require the successful Bidder's employees and agents to be escorted to and from any public office, facility or work site if national or local security appears to require it.

REJECTION/ACCEPTANCE OF BIDS – ESD 112 reserves the right to accept or reject any or all bids received as a result of this ITB, to negotiate with any or all prospective contractors on modifications to bids, to waive informalities, to postpone award, or to cancel in part or in its entirety this ITB if it is in the best interest of ESD 112 to do so.

SUBCONTRACTING – No activities or services included as a part of this bid may be subcontracted to another organization, firm, or individual without the approval of ESD 112. Such intent to subcontract shall be clearly identified in the bid.
