FALL ACTIVITIES

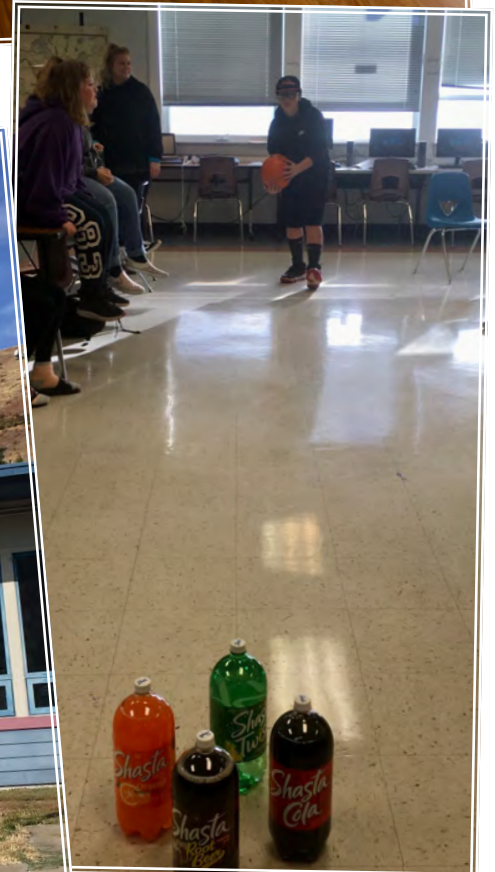

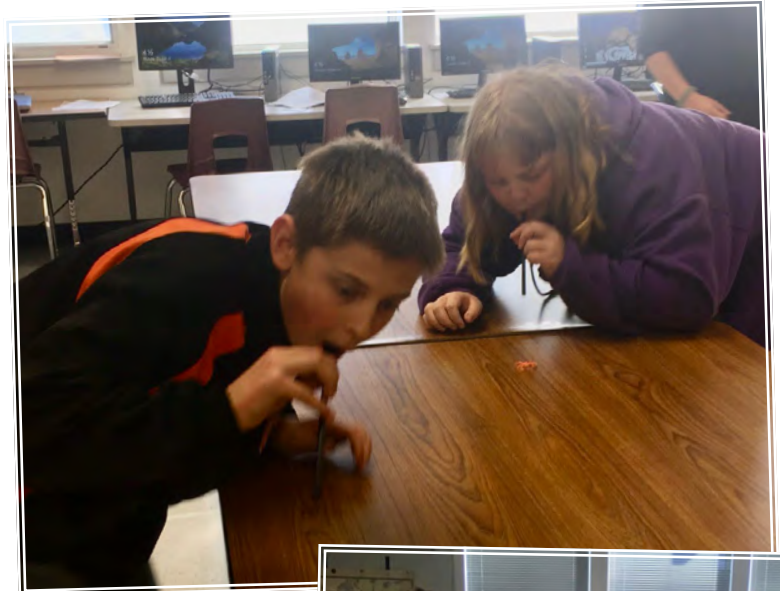

Students researched interesting facts about Pablo Picasso that they shared with the class. They then planned and constructed three dimensional cardboard faces inspired by Picasso's Cubism Period.

GRANT PARTNERS

During Miss Debi's visits from Skyline Hospital, the students have enjoyed cooking with the 3rd-6th grade REACH students. They made their own trail mix and homemade biscuits.

COMMUNITY CONNECTIONS

Students were very excited and learned a lot at Creature Feature event! A Fort Vancouver Regional Library presenter came and students were able to hold multiple snakes and got to hear a barking gecko!

PARENT EVENTS

The REACH Sternwheeler Kick-off Event was a great opportunity for parents, teachers and students to all get to know each other and learn more about the beautiful Columbia River Gorge.

UPCOMING EVENTS

Fort Vancouver Regional Library will be coming to share their virtual headsets with the REACH students. Students will also be researching and voting on recipes they can create when Miss Debi from Skyline Hospital comes to work them on some higher-level cooking skills.
