REACH is a program of
Educational Service District 112

Wishram

In collaboration with the Wishram School District

MARCH:

We had a lot of fun this past spring! In March we went on a trip to The Dalles Theatre Company to watch the play, *Through the Looking Glass*, a funny look at what truly happened to Alice when she went to Wonderland. Students loved the show! We also competed in the Wind Challenge at the Columbia Gorge Community College, where teams of students competed against each other to build the best turbine. We had a great time cheering our classmates on and learning more about the world of science at the STEM fair!

APRIL:

In April we had a visit from a performer from the Fort Vancouver Regional Library, Gideon Freudman, who put on a CelloBop Concert for us. It was so much fun hearing him use his cello to make so many different sounds and music. He really had us all tapping our feet and wanting to dance!

KEEP AN EYE OUT FOR ENROLLMENT FORMS WHEN SCHOOL STARTS!

MAY:

All the students were ecstatic about our Field Day in May where they competed in relays, had their faces painted, played yoga games, blew giant bubbles, and so much more! We also participated in the Wishram School's annual book fair, which included a big book sale and a Reading Carnival with lots of fun reading games and activities.

Student Highlight

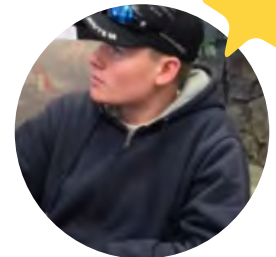

JUSTIN INGRAHAM (9TH GRADE)

What is your favorite thing about REACH? **"Being a mentor for the younger kids."**

What is something fun you did at REACH recently?

"We set up a field day for the younger students, it was great to see how much fun they had."

What have you learned recently? **"I have learned that working together can make cool things happen."**
